MESSAGE TO THE OUTGOING BOARD CHAIR

Stephanie Singer, Chair Oasis House

Stephanie served as the Chair of the Board to Oasis House for 9 years. Under her leadership, the Oasis Board prospered and transformed into a diverse, passionate and professional governing body.

Stephanie, we couldn't heal, empower and restore female survivors without your tireless commitment and dedication!

Best wishes on your promotion and your future! We will miss your leadership!!

MESSAGE FROM THE EXECUTIVE DIRECTOR

One of the great pleasures of putting together an annual report is that it gives us the opportunity to look back and give thanks for the many blessings we have encountered over the course of the fiscal year.

Although the pandemic brought fear and uncertainty, thanks to the steadfast support of our survivors, partners, and volunteers we were able to achieve beyond our expectations!

WHERE WE ARE NOW

OUR WORK

Though many of our annual fundraisers didn't occur in 2020, the extra time and energy graced us with the ability to really reevaluate the ever changing needs of the demographic we serve. We innovated and expanded programming substantially at Oasis House in 2020!

VOLUNTEERS

Our tribe is now much larger than in years past! This allows us to double our street outreach teams, perform cyber outreach monthly and educate the community on the issues facing human trafficking, sexually exploited and traumatized women.

OASIS HOUSE

PROGRAMMING

After evaluating current issues facing the women we serve, we innovated several new programs!

Our Women of the Round Table (WORT) Curriculum Series includes:

- Life Coaching
- Anger Management
- Women in Scripture Studies (Formerly YES)
- Boundaries & Conflict Management
- Music Therapy

These classes, taught by staff, volunteers and students, allow us to serve women all over the community. We are truly meeting women where they are, offering support, life skills and *tribe*.

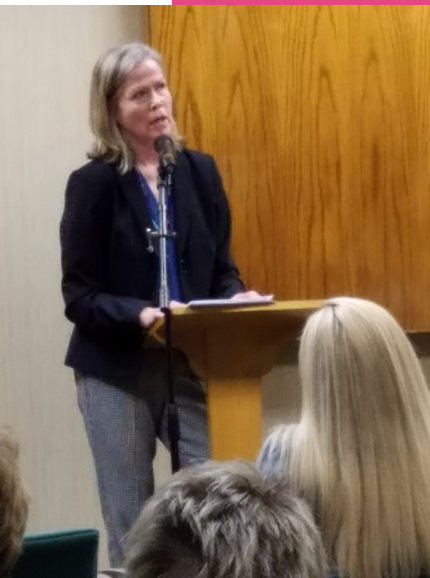

HEAL EMPOWER RESTORE

*Live in the present...
don't 'what if' the future.*

EDUCATION & AWARENESS

Education and awareness were a big challenge in 2020. Still, we were able to educate over 940 people!

CYBER OUTREACH

OASIS REACHED OVER 950 WOMEN IN THE SEX INDUSTRY

CYBER OUTREACH

The online sex industry is booming. Our innovative cyber outreach doesn't wait for women to come to us. We've innovated a way to contact hundreds of women from our community involved in the online sex industry every single month.

STREET OUTREACH

Our street outreach expanded this year. We have several teams, at different times of the month, spreading out all over the community to reach women in the sex industry. We offer them resource bags of food, personal hygiene items, socks, gloves, information and HOPE!

RESIDENTIAL PROGRAM

Our safe houses are operating at almost maximum capacity and the residents are making great strides in healing. Through gracious grants and volunteers, the following tasks were completed in 2020:

- New Roof
- Electrical Upgrade
- Plumbing Upgrades
- Updated Security Devices
- Security Doors
- Insulation
- Heat & Air Units Installed
- New Shower Doors/Surround
- Landscaping
- Inside Painting and Décor Update
- Yard Maintenance and Care
