AM Breakout Sessions

Session 1

Best practices (with role play) for social service professionals interacting with victims (2.5-CEUs earned)

This interactive two-hour session teaches: the P.E.A.R. model for interacting with current victims of trafficking in a professional setting. Attendees will participate in practical application of best practices with role playing sessions.

Presenter: Tonya Folks, MPA, Chief Operating Officer Oasis House

Session 2

Trauma Informed Care (2.5 CEUs)

Attendees learn at least 2 ways trauma impacts the brain, body and healing, be introduced to the six principals of Trauma Informed Care and learn at least 3 specific techniques on interacting with a trauma survivor.

Presenter: Holly St. Pierre, Licensed Professional Clinical Supervising Counselor, Owner/Clinical Director HRS Counseling Services, LLC, Brain-spotting consultant and Founder Buckeye Brainspotting Network

Jeopardy/Closing Remarks

Session 1

Self Care & Trauma Service Providers (2.5 CEUs)

Burnout, Compassion Fatigue, Self Compassion, Self Care, Self Resilience, Selfishness.... Whatever you call it; IT IS REAL! This session teaches how to identify the slippery slope, the tumble into the pit and what kind of shoes to wear to not only climb out but, to SMILE and feel the joy while doing it!

Presenter: Holly St. Pierre, Licensed Professional Clinical Supervising Counselor, Owner/Clinical Director HRS Counseling Services, LLC, Brainspotting consultant

Session 2

Human Trafficking Expert Panel (2.5 CEUs)

Join a multi-professional discussion about all things human trafficking. From advocates to law enforcement, learn how professionals across the state are uniting to combat trafficking and serve survivors.

5.5 CEUs Total (for the Day) issued by Samaritan Behavioral Health
